OBJECTIVE

Passionate and self-motivated Web Developer with strong experience in modern frontend technologies, API integration, and performance optimization. Seeking opportunities to contribute to impactful real-world products while continuously growing as a developer.

EDUCATION

Bachelor of Computer Science, NUML University, Islamabad 2022 – Ongoing
Current CGPA: 3.98

SKILLS

Frontend	React, Next.js, TypeScript, Tailwind CSS
Backend	Node.js, Express, RESTful APIs
Database	MongoDB

WORK EXPERIENCE

Frontend Developer — Synctom Current

- Core member of the frontend team contributing to multiple production-grade web applications using Next.js, TypeScript, and Tailwind CSS.
- Worked on **Diniiz**, a reservation and operations management platform, focusing on performance, scalability, and real-time usability.
- Designed and implemented a **canvas-based table layout system** for visual reservation and seating management as part of Diniiz.
- Built and maintained a **multi-role dashboard within Diniiz**, supporting Tenant, Location Admin, and Super Admin roles with clear permission boundaries.
- Implemented **live booking management** features in Diniiz to ensure real-time reservation updates and operational accuracy.
- **Solely responsible (Full-Stack) for Newon**, an inventory management system built with Next.js, handling frontend architecture, backend integration, and data flow.
- Worked on **Reverie**, an all-in-one internal operations manager used across the company to streamline workflows.
- Collaborated closely with designers and backend engineers to deliver responsive, maintainable, and scalable UI components.

PROJECTS

Personal Projects

- **Animadom** — Anime discovery platform built with Next.js and the Jikan API, featuring SSR, responsive UI with Tailwind CSS, and Motion.js animations.
- **Samurai Systems** — Landing page for a cybersecurity firm using Next.js and Tailwind CSS with GSAP-powered animations.
- **Breaktime** — Dashboard for managing inventory, focusing on clarity, usability, and performance.
